# Tamil Nadu Electricity Board Engineers' Association

(Recognized in G.O No. 854 dated 6-4-1946)

Regn. No. 217/94

It is reliably understood that due to insufficient numbers of eligible JE I grade to be promoted as AEE's, the panel was cut short to a limited number of 352. Because of which the eligible AE/Electrical were left out with lurch and mental agony. Though the vacancies are still available to accommodate the eligible incumbents, the panel was limited to maintain the ratio 3:1. Right from the day of calling for suitability the AEs are anxiously waiting for their first round of promotion who have done exemplary service of almost 12 Years. No fault on their part, they were left out for want of JE's.

The Association earnestly request the respected CMD to make an arrangement to call for a list of Assistant Engineers and Junior Engineers I Grade so as to consider only the eligible 2007 AEs who were left out in the earlier panel for want of JE I Grade and approving the same immediately.

The Association therefore requests the CMD for considering to approve a short panel for the left out 2007 batch AEs as there are sufficient vacancies available to accommodate them which would make them exultant and excel in their services.

Kindly oblige.  
With warm regards,

Yours sincerely,

  
(T. JAYANTHI)  
General Secretary.
