Lr.No. TNEBEA/GS/D.30/2019, dt. 27.05.2019.

Sub: TNEBEA – Urgent need to consider the promotion  
of Assistant Engineers/ Electrical – reg.

Vanakkam,

The association is well aware of the keen interest and strenuous efforts taken by the management in approving the panel of Assistant Engineer / Electrical suitable for promotion as Assistant Executive Engineer/ Electrical by calling for the suitability reports and performance assessment reports from the field.

Despite repeated reminders have been sent to the field by the Chief Engineer / personnel, few of the reports are not yet received. This has created unrest and anxiety among the Assistant Engineers who have rendered more than 12 years of unblemished service and are eagerly waiting for their turn of first promotion.

# Tamil Nadu Electricity Board Engineers' Association

(Recognized in G.O No. 854 dated 6-4-1946)

Regn. No. 217/94

-2-

It is needless to state that vacancies of Assistant Executive Engineers/ Electrical are mounting day by day, which is also causing distress to the management in maintaining the system in an established manner. It is an imperative need to fill up the vacancies immediately as The Honorable Election Commission of India was also pleased to withdraw the model code of conduct with immediate effect on 26 May 2019.

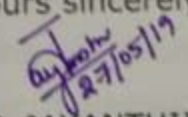

In such a scenario it is appropriate on the part of the management to fix an early date for conducting the DPC so that particulars not received will reach the Headquarters well within few days.

Any further delay if caused by the few individuals even then should in no way hamper the process of promotion or the prospects of the larger interest, waiting for their first turn of promotion in their career.

The association therefore requests the Chief Engineer / personnel to expedite the process of promotion panel of Assistant Executive Engineer/ Electrical and conduct the DPC at the earliest.

With Regards,

Yours sincerely,

  
(T. JAYANTHI)  
General Secretary
