Chennai - 600 002.

Lr.No.: TNEBEA/GS/F-Ch.Rep./D. 129/2013 dated 14.06.2013:

Sir,

Sub: Greetings from TNEBEA on making perfect linkage of coal to
all the newly commissioned power projects by signing MOUs
- Reg.

Vanakkam.

Kindly accept our heartiest thanks for making perfect linkage of coal to all
the newly commissioned power projects namely the MTPP and NCTPP by
signing MOUs separately.

In the present day context, allotment of Coal and linkage of coal to
different thermal stations has been the talk of the Country and under
these crucial circumstances making perfect linkage of coal for early
commissioning of new projects is not an easy ~~joke~~ task.

This could be achieved only because of the strenuous efforts taken by our
respected CMD without whom this kind of new height could not have been
achieved by the TANGEDCO.

Hence, the TNEB Engineers' Association greets our respected CMD on this
happy occasion and joins with every citizen of Tamil Nadu for successful
commissioning of the new thermal projects viz. MTPP and NCTPP.

Thanking you.

Yours Sincerely,

(S. Sankara Narayanan)
General Secretary.
