Lr.No.: TNEBEA/GS/F-Ch.Rep./D. 135/2013 dated 27.06.2013:

Sir,

Sub: Initiatives of the Govt. & TANGEDCO in popularizing Solar Energy into People's Movement - Participation of TNEBEA by organizing technical Seminars at National & International levels by inviting papers and releasing of Souvenirs - Intimation- Reg.

Vanakkam.

The New Solar Policy-2012 in line with the Vision-2023 document of our Honble Chief Minister of Tamil Nadu focuses on popularizing the usage of Solar Energy into people's movement as that of the Rain Water Harvesting programme. It also envisages establishing 3,000MW from Solar Energy by 2015 in Tamil Nadu.

In line with that, our respected CMD is taking various steps in TANGEDCO by finalizing prospective private promoters in Solar Energy. At this juncture, the TNEB Engineers' Association would like to thank our respected CMD for having created a new post of Superintending Engineer/ Solar Energy duly considering our earlier representations.

As a responsible Organisation, the TNEBEA would like to join with the above initiatives of the Govt. and TANGEDCO by organizing technical seminars at National & International levels tentatively during Sep'2013 and Jan'2014 respectively with the participation of Sponsors.

During these Seminars, We also intend to release Souvenirs by incorporating the selected technical papers along with the display of the product range of co-sponsors and promoters.

For favour of kind information. Thanking you.

Yours Sincerely,

S. Sankara Narayanan)
General Secretary.
