

AN APPEAL TO THE MEMBERS OF TNEB ENGINEERS' ASSOCIATION

Dear Engineer,

Greetings from the TNEB Engineers' Association. Right from joining the Board, we have travelled together and crossed many milestones. You are very much aware that our Association is striving hard for the welfare of our members in taking every effort towards Recruitment, promotional opportunity, favourable Wage Revision proposal, One Man Commission and complimenting every member with our TNEB Engineers' Association Diary, and Desktop calendar.

The activities of our Association in the past one year has been clearly presented in the recent "Minthiran" under the column 'General Secretary's Report'.

As you will agree, it may not be possible to achieve our goals without fund. This is true for any organization and so to our Association also. Since, our Association has many more ambitious plans in the near future for execution of the welfare of our members, it has been decided to enhance the subscription amount to Rs.100/= per month in the GC Meeting held at Coimbatore.

For the convenience of our members to contribute, the annual Contribution has been divided into 2 components:

- (1). Annual subscription of Rs.600/= from the salary for the month of May payable in June every year and
- (2). Donation of Rs.600/= from the salary for the month of November payable in December every year.

Hence, as a member interested in our Association activities, we hope that you will immediately agree for the above and give your consent. The TNEBEA wishes success in all your future endeavours.

Thanking you.

Yours Sincerely,
S.Sankara Narayanan,
General Secretary.
