I am directed to invite your attention to the reference cited
(copy enclosed) wherein the Ministry of Home Affairs, Government of
India has called for nominations for the Padma Series of awards to be
announced on the occasion of the Republic Day 2015.

2. In this regard, I am to request you to forward nominations of
eminent persons from your Department / Districts in the prescribed
format for recommending them to the Government of India.

3. I am to state that while recommending the nominations for
the above awards, the following guidelines issued by the Government
of India shall be followed:-

- i) It may be ensured that the persons recommended are
pre-eminently worthy of the awards, looking at their life-time
achievement. The criteria for selection should invariably be
'excellence plus' and the highest standards should be applied while
recommending persons for these awards. The existence of an
element of public service in the achievements of the person
recommended for the award would be a desirable factor.

(PTO)

- ii) Efforts may be made to identify talented persons from amongst the weaker sections of society, like SCs & STs, handicapped persons, women, etc., who deserve to be considered for the award.
- iii) The decoration is normally not conferred posthumously. However, in highly deserving cases, Government could consider giving an award posthumously if the demise of the person proposed to be honoured has been recent, say within a period of one year preceding the Republic Day on which it is proposed to announce the award.
- iv) A higher category of Padma award can be considered in respect of a person who has earlier been conferred an award, provided a period of at least five years has elapsed. However, in exceptionally deserving cases, a relaxation can be considered.
- v) Government servants including those working ^{with} PSUs, except Doctors and Scientists, are not eligible for Padma Awards.

4. I am also to request you to select suitable nominations in consultation with Heads of Departments under your control, for the Padma Award Series by taking into account, the distinguished services rendered by them in their respective fields and send the same to this department in the prescribed proforma along with citation in English on or before 31.07.2014 positively. It may be taken note that proposals may be sent to this Department about the achievers even if the individual nominations are not received.

5. The receipt of this letter may kindly be acknowledged.

GOVERNMENT OF INDIA

Dear Shri Chumkauth,

The Padma Awards, namely, Padma Vibhushan, Padma Bhushan and Padma Shri, are amongst the highest civilian awards of the country. Instituted in 1954, these awards are announced on the occasion of the Republic Day every year. The award seeks to recognize 'work of any distinction' and is given for distinguished and exceptional achievements/service in all fields/disciplines, such as, Art, Literature and Education, Sports, Medicine, Social Work, Science and Engineering, Public Affairs, Civil Service, Trade and Industry etc. All persons without distinction of race, occupation, position or sex are eligible for these awards. A copy of the statutes and rules governing these awards is enclosed (Annex - I).

2. It is the conventional practice to invite nominations for these awards from all State/ UT Governments as also several other sources to enable broad-based consideration. The nominations are to be sent in the enclosed proforma (Annex - II). As you would notice from the proforma, in addition to the bio-data, a detailed write up (citation) in narrative form, clearly bringing out the distinguished and exceptional achievements/service of the person recommended in his/ her respective field/discipline, has to be provided in each case. I would also like to bring to your kind notice that **nominations received without the filled up proforma and citation (maximum in 2 pages containing not more than 800 words) will not be considered.** All relevant columns of the proforma are also expected to be completed in all respects. The process of compiling the nominations/recommendations, and their consideration takes considerable time and, therefore, commences early.

3. It has been observed in the past that while nominations are received in respect of a large number of persons, there could, however, be several talented persons who are left out of consideration despite exceptional contribution in their field. Often many of these persons may get overlooked primarily for the reason that they may not seek publicity or attention in the public domain. I would, therefore, request you to make concerted efforts in identifying such persons whose excellence and achievements really deserve to be recognized, and make suitable nominations in their favour. It goes without saying that recognition of such deserving persons will only add to the lustre of these awards.

4. In the above background, I am to request you to kindly send suitable nominations for the Padma awards to be announced on the occasion of Republic Day, 2015. In this regard, it is suggested that you may constitute a special search committee for identifying, considering and finalizing your recommendations/ nominations. Further, while finalizing the recommendations, the following points may be kept in view:-

- (i) It may be ensured that the persons recommended are pre-eminently worthy of the awards, looking at their life-time achievement. The criteria for selection should invariably be 'excellence plus' and the highest standards should be applied while recommending persons for these awards. The existence of an element of public service in the achievements of the person recommended for the award would be a desirable factor.
- (ii) Efforts may be made to identify talented persons from amongst the weaker sections of the society, like SCs & STs, handicapped persons, women, etc., who deserve to be considered for the award.
- (iii) The decoration is normally not conferred posthumously. However, in highly deserving cases, Government could consider giving an award posthumously if the demise of the person proposed to be honoured has been recent, say within a period of one year preceding the Republic Day on which it is proposed to announce the award.
- (iv) A higher category of Padma award can be considered in respect of a person who has earlier been conferred an award provided a period of at least five years has elapsed. However, in exceptionally deserving cases, a relaxation can be considered.
- (v) Government servants including those working with PSUs, except Doctors and Scientists, are not eligible for Padma Awards.

5. The last date for receipt of the recommendations for Padma Awards in this Ministry is September 15, 2014. The cut-off date may please be strictly adhered to as recommendation received after it will not be considered.

With regards.

Yours sincerely,

(Sneh Lata Kumar)
